OBJECTIVE

As a teacher my objective is to motivate my students to develop their own learning interests and critical thinking—to establish a learner-centered environment in the classroom. I believe that clear, open communication with students is a key element in helping them learn. I would also welcome the opportunity to develop new courses according to departmental needs. A position in an institution with challenging avenues where my educational potential matches the growth of the organization and to contribute to the organizational goals with the betterment of my career prospects.
